Paula,

This is very helpful material. Thank you for your time and for compiling. You have been a tremendous help these past two weeks. We will miss you. Thank you very much!!

Subject: CommSite Screen Shots Document

I put together some screen captures of several of the areas we covered during calls. I would like to have made this more complete and detailed, but time has not been kind to me this week. Hopefully this will at least act as a reminder of what we talked about.
