Ok, I've fixed the layer errors. This one should be set.

Hi Paula:

How are you? Hope all is well. Haven't talked in a long time.

I have tagged this document for the SDVA but lost the text box in the yellow burst on pages 13, 16, 17, 22, 26, 27, 32, 41. Can you restore the text on these pages?

Thanks so much!
